

Where does American government seat?

The Capitol is the place of Congress meeting in Washington.

It is the highest place in the city.

The Capitol is situated on the Capitol Hill

**The word Capitol came to the USA
from Rome
where there is Capital too.**

The Capitol is one the most beautiful political building in the world.

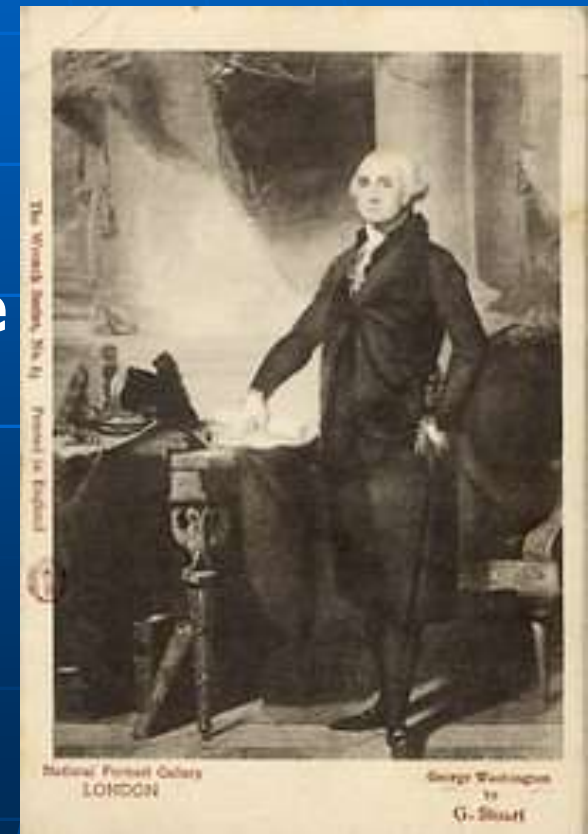

Capitol Dome (купол)

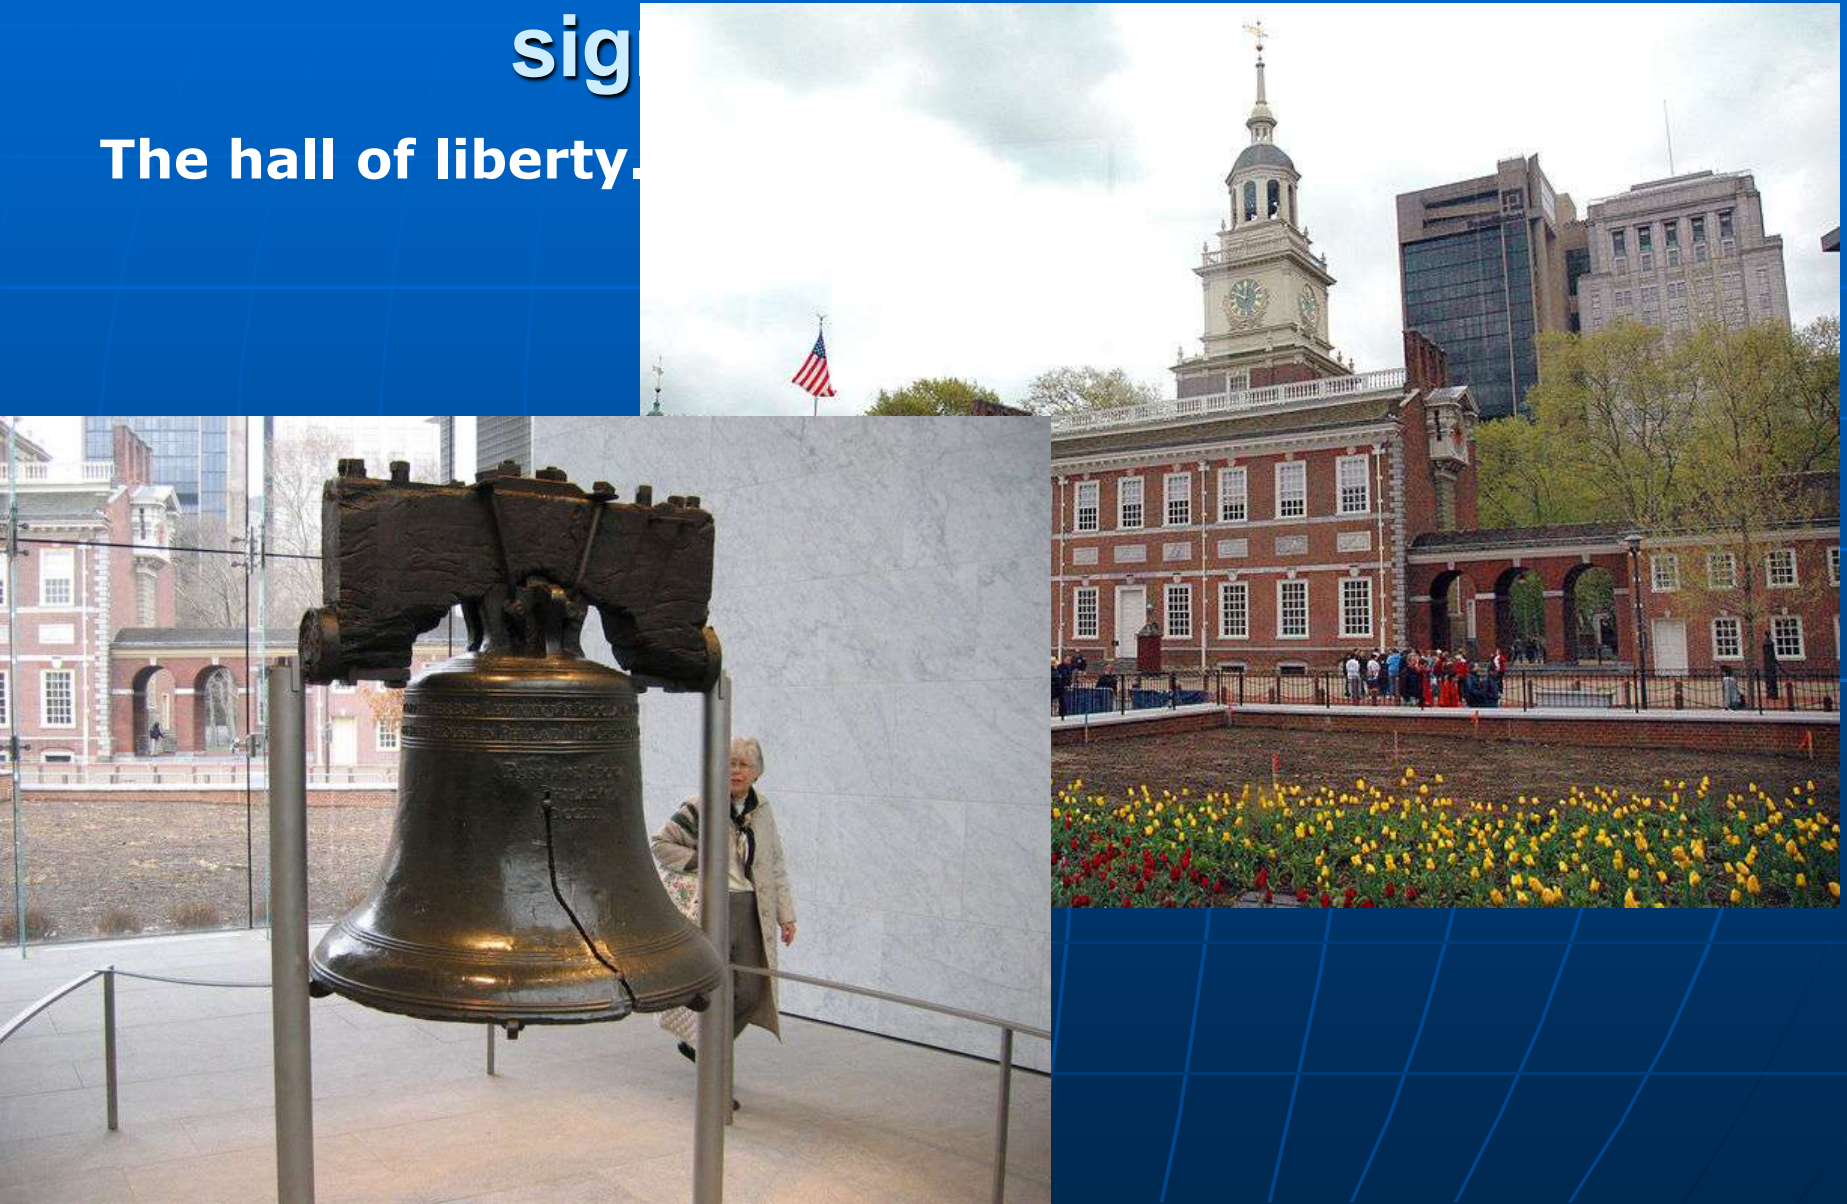

The House of representatives. 435 members.

**-On July 4, 1776,
Continental Congress issued
a Declaration of
Independence,
before written by Thomas
Jefferson,
-a farmer and lawyer from the
colony of Virginia.
-And Washington became the
first president of the
independent country.**

The History of American democracy began with the Constitution that was signed

The hall of liberty.

**White House
the residence of
the presidents
began its
history since
1800.**

**Now the 43d
President will
be living here.**
